And this is only one of the benefits associated with participation at one of our events...

# *Atlantic Publicity Gifting Benefits*

- Atlantic Publicity has two media divisions: Atlantic Publisher and Spotlight News Media. Therefore, we have the power to work closely with the national and international community of the media and as such can create opportunities to feature your product in local, national and international coverage, creating a well-rounded branding opportunity through syndication, which otherwise may cost you hundreds of thousands of dollars, sometimes millions.
- Atlantic Publicity has gained an incredible reputation for putting together Luxury Gift Lounges that celebrities and media want to attend. With a combination of extensive pampering and \$40,000+ gift bags the celebrities take home, it is no wonder that we receive calls asking when the next lounge is. Our add-on value by media coverage and a guaranteed editorial alone might be more expensive than your cost.
